Dear Dee:

The West Side Campaign Against Hunger greatly appreciates the generous donation in calendar year 2011 of \$250 from West 75th Street Block Association toward feeding the hungry of New York City and helping them back on their feet.

We are so grateful for the continuing support from the West 75th Street Block Association in this time of great need. Please welcome your members to stop by for a tour of the services made possible by your generosity.

Your gift supports food, counseling and training at the Upper West Side's innovative and influential West Side Campaign Against Hunger, a national model for its customer-choice food pantry and social service counseling to help people beyond hunger.

This year the West Side Campaign Against Hunger is providing food for almost **a million meals**—by far the highest level of need in our 32-year history.

No goods or services were received in consideration of this gift. The entire amount of your contribution is deductible for federal income tax purposes, to the extent permitted by law. The West Side Campaign Against Hunger is a program of the West Side Center for Community Life.

Thank you for making our important work possible.

With best wishes for the New Year,

Doreen Wohl
Executive Director
