Dear Dee Rieber,

Thank you very much for your generous gift of \$200.00\*, a real help to us as we face financial challenges.

We will, as promised, use 100% of your donation to bring weekend, holiday, and emergency meals to frail aged New Yorkers. Not one penny will go to administration or fundraising. Special grants from our board members and others cover those costs.

For the past few months, we have been struggling to maintain our vital lifeline of food and human company. We are more grateful than ever to have your caring friendship.

With all good wishes,

Marcia Stein  
Executive Director

Dear DeAnna:

The West Side Campaign Against Hunger greatly appreciates the generous donation from the West 75th Street Block Association of \$300 toward helping to feed the hungry of our city.

**Your contribution to our emergency food pantry is especially important as the continuing economic downturn and high unemployment drive greater and greater numbers of hungry New Yorkers to our doors. I am also so grateful for your kind words about our important work here.**

From July through December 2010 we provided meals for 20% **more** people than the same period in 2009.

In all, we provided meals for 56,066 people during that time. That's more households than have ever relied on us before. Even greater numbers of people turn to us in the holiday season. Your support helps us meet the growing need.

No goods or services were received in consideration of this gift. The entire amount of your contribution is deductible for federal income tax purposes, to the extent permitted by law. The West Side Campaign Against Hunger is a program of the West Side Center for Community Life.

Thank you for all your support.

Sincerely,

Doreen Wohl  
Executive Director
